

Lake Club COMMUNICATOR

BOARD REPORT

The HOA Board of Directors thanks everyone that participated in and contributed to the wonderful Multicultural Fusion Fest event that took place on February 24. We were very happy to see such a large number of presentations of so many different cultures. Our HOA community is definitely more strengthened and enriched by the diversity of people and cultures who are our neighbours. It was great to see many neighbours come and participate in the event that we normally don't see at the Lake Club. With the success of this event, we will look for more opportunities to plan activities in the Lake Club to continue building a safe community for all members.

Recently we have learned that the ping-pong table in the games room needs repair to ensure the safety of those using it. Please bear with us as we close the table until it

is repaired. We have also been warned by our landlord that we need to be more careful when attaching decorations to the walls in the Lake Club. Please don't attach anything to the walls without checking with the Lake Club Manager about the safest way of doing so.

The Saturday Evening movies are being well attended. The Movie Committee could use one or two more members to help with the planning and screening of movies. Please contact the board at the email below if you are interested.

If you have any questions, concerns, suggestions or comments regarding the HOA, the Lake Club and any of our activities, please send them directly to the Board of Directors at lakesatrrhoa@gmail.com.
