ROCKY RIDGE

EDITOR'S NOTE

October is here, and with it the slow turn of the season. The warm days we enjoyed in September are giving way to crisp mornings, cool evenings, and the colours of fall. It's also the month of Thanksgiving, a time to pause, reflect, and share the season with family, friends, and neighbours. At the Lake Club, it means a shift toward indoor activities and plenty of opportunities to come together as a community.

We'll begin the month with an **Art Workshop** on Tuesday, October 7th at 5:30pm. There are still a few spots available if you'd like to take part. With guidance from a local artist, you'll learn how to create a seasonal decoration to bring home. It's a relaxed, hands-on evening, and the best part is being able to proudly say you made it yourself.

Mid-month brings our **Community Garage Sale** on Saturday, October 18th starting at 2pm in the Activity room. It's a great chance to clear out a few things you no longer need, discover a hidden treasure or two, and spend a few hours visiting with neighbours. Sellers need to register with the Lake Club Office to reserve a table, and because space is limited, we encourage you to sign up early if you'd like to participate.

We're also excited to introduce something new this month: **Game Night** every Friday at 7pm in the Games room. This is a casual, resident-led meet-up. There's no sign-up and no formal host, just come by if you're in the mood for a friendly game of pool, ping pong, cards, chess, or any board game you'd like to share. It's a great way to relax at the end of the week, and a wonderful chance for new residents to meet other members of our community!

Of course, October wouldn't be complete without some Halloween fun! Our **Halloween Party** is happening on Friday, October 31st starting at 4pm. Costumes are highly encouraged, so bring your creepiest, funniest, or most creative look, as a fantastic prize awaits the best one! We've got a lineup of fun and thrilling entertainment for the kids, leading straight into a spooktacular Magic Show in the Theatre! After the party, The Manor Village will open its doors for trick-or-treating at 6pm. Little ghouls and goblins are invited to stop by in costume and collect treats from residents upstairs, but beware... all creatures must sneak in through the Manor's *main entrance*!

Lastly, we've decided to move our **Holiday Vendors Market** to Friday, November 21st (instead of the 22nd). Around the holiday season, there are many great markets across the city, and vendors often have busy schedules at that time. By shifting our date, we're hoping to attract a fantastic variety of available vendors, so you'll have the best gathering right here at the Lake Club. Mark your calendars and come enjoy some holiday shopping with us, there will be plenty of unique gifts, festive finds, and something for everyone!

As we move further into fall, we look forward to seeing more of you at the Lake Club, enjoying the season and connecting with your neighbours. Wishing everyone a very Happy Thanksgiving and a warm, cozy October.

Board Report

The HOA Board of Directors is continuing to work on projects to improve our community space. We have received approval to install one water fountain in the smaller storm pond, but the window to have it installed for this season has passed. We are going to have the power lines installed in October so we will be ready to install the fountain in the spring and enjoy it next summer. We are also planning on installing more winter-season decorative lights this year at the main entrance of our community as well as at the lookout. Watch for that in December.

The waterfall in the larger storm pond has been running well all summer. It is scheduled to be shut down for the winter in the first week of October, with plans to install it again next summer.

The Board is concerned about two issues that still appear to be detracting from the beauty of our community space and the utility of the Lake Club facilities. We continue to see some members entering the Fitness Centre with dirty outdoor shoes and using the equipment. Some of these occurrences have even been by underage residents without the required adult supervision. We have also noticed a lot of cigarette butts left at the benches in the park area. Please be considerate of others and of our community facilities, and clean up after yourself.

If you have any questions, concerns, suggestions, or comments regarding the HOA, the Lake Club, or any of our activities, please send them directly to the Board of Directors at lakesatrhoa@gmail.com.

Fall News from the Knit Wits

It is time to update our community again. We have been busy, even through the summer. Our numbers have diminished a bit due to people moving, both to a different residence and a different area of the City. But those of us remaining are busy... busy.

We have knit 507 toques, now sorted into men's, women's, and children's toques. By the time you read this, they will have been delivered to the Calgary Drop-In donation centre, as well as the Inn from the Cold centre, the Mustard Seed, and the St. Vincent de Paul Society. Each of these recipients has been very grateful for our donations. We make sure they know that these toques come from our group's knitting needles, but the yarn comes from our residents' yarn donations and cash donations to purchase yarn. So we, the Knit Wits, also express a heartfelt thank you to all who have made sure we always have enough yarn to knit toques.

A small housekeeping matter is next. We've decided to take a short pause this fall and will be pausing our Wednesday afternoon get-togethers from October 22nd to December 3rd inclusive. We will resume on December 10th, ready to gather again for conversation and knitting. This pause is mentioned in case any occasional members or any new members were planning to join us during that time and don't find us where we usually are. We look forward to seeing everyone again soon!
