BOARD REPORT

The Board of Directors thanks everyone that came out to the Board Social that we held on Nov 17th. This was a great opportunity to get to know each other better and build our community. We feel it is very important for all residents of the HOA community to get to know each other better and we promote all of us to treat others with respect, kindness and understanding in all circumstances.

The current HOA Board welcomes a new director to the board. Aysha Macchi was appointed to the board to fill a vacant position in November. We look forward to working with Aysha and all volunteers to plan and facilitate a new year of activities and opportunities to help build a stronger community. Look for activities in this newsletter that will take place in December.

The board has approved the budget for 2024 which will allow us to fund more social activities and maintain our Lake Club facilities without increasing the HOA fees we collect from you. The budget should be sent out to you for review or send an email to the board requesting a copy.

If you have any questions, concerns, suggestions or comments regarding the HOA and the Lake Club, please send them directly to the Board of Directors at lakesatrhoa@gmail.com.
