### EDITOR'S NOTE

March has a way of feeling like a fresh start; a little more light, a hint of spring in the air, and plenty to look forward to at the Lake Club.

Last month, we were pleased to host two financial advisors from Royal Bank of Canada who delivered an informative and practical session on tax planning. The presentation was well received and provided valuable insights for many of our members. A sincere thank you to our guests for sharing their time and expertise with us and we look forward to welcoming them back for another financial session in the near future.

A quick but important note about event sign-ups. We've noticed that at times members register for HOA-run events and then do not attend. These events require thoughtful planning, time, and HOA funds. For gatherings with limited space or catered refreshments, registering means reserving a spot that another member may have hoped to take. **We kindly ask that if you sign up for an event requiring registration, you make every effort to attend.** When members register but do not attend, priority for future events may be given to others, with repeat no-shows placed on a waitlist.

Speaking of events, due to popular demand, Paint Night is back on Friday, March 13th at 5:30 pm. Registration is required, so be sure to secure your spot early. We're welcoming a new-to-us artist this time. The final list of participants will have the opportunity to vote on which painting option will be chosen for the event. A gentle reminder that all members of our community are welcome to sign up, tenants and owners alike. There's a common misconception that tenants aren't eligible to attend HOA events; this is not the case. If you live in our community, you're welcome to participate in all HOA-run events and activities.

We're very pleased to see a steady increase in movie attendance over the past few months. Thank you for showing up and supporting our Movie Nights. Our movie committee has put together an exciting line-up, so remember to check page 2 for details and join us in the theatre every Saturday at 7 pm. Snacks are provided, courtesy of the HOA.

Before long, spring will officially arrive, and with it, the Easter holiday! We're excited to host our Easter Egg Hunt on Saturday, April 4th starting at 2 pm. There will be entertainment for the little ones, a complimentary cotton candy cart for all to enjoy and a very special appearance by the Easter Bunny!

As always, thank you for being part of our wonderful community. Here's to a great month ahead!

# Board Report

The HOA Board of Directors wishes everyone a happy early Spring after the return of Winter in the last few weeks. We are looking forward to seeing you out at the social activities planned for March that are described in this newsletter.

The Board has been working with the other condo associations in our community to develop a new policy that will help protect staff, contractors, volunteers and all residents from abusive, harassing, or intimidating behaviour. More details about this development are coming soon.

We have also been addressing the issue of maintaining functional treadmills in the fitness centre. We are currently shopping to acquire a brand new treadmill that will be able to endure the heavy use we require. The second treadmill is also being looked at to repair or replace as it is not functioning properly.

We remind all users of the fitness centre to ensure you are following the rules of use. This includes not bringing non-resident friends and family to use the centre as it is only for the use of HOA members and bringing clean footwear to wear when you are working out. Please make sure you know how to use the exercise equipment properly for your own safety and minimize the wear, tear and damage to the equipment.

If you have any questions, concerns, suggestions or comments regarding the HOA, the Lake Club and any of our activities, please send them directly to the Board of Directors at [lakesatrrhoa@gmail.com](mailto:lakesatrrhoa@gmail.com).
