The Lakes At
ROCKY RIDGE

EDITOR'S NOTE

Fall has arrived and we've been lucky to have some beautiful weather so far. Although the temperatures are starting to drop and the leaves are quickly changing colour, we've had plenty of sunshine and some surprisingly warm days. There's something special about this time of year as the days are getting shorter, the pace slows down a little, and it's a good time to enjoy the last bit of fall sunshine before the cold winter arrives.

Last weekend we had a fantastic turnout at the Donut Social event and it was great to see so many of you enjoying those warm, freshly baked mini donuts. From the feedback we received, it sounds like this might just become a new fall tradition; one last outdoor get-together to say goodbye to summer before we move all our activities indoors for the season.

Looking ahead to October, we are hosting a **Community Garage Sale on Saturday, October 24 from 2-4 PM in the Lake Club Activity Room**. It's a chance to pass along some much-loved items you no longer need to someone who might enjoy them. If you have things tucked away that you've been meaning to let go of, why not give them a new home? We'll need enough sellers for the event to go ahead, so please sign up if you'd like to take part. More information can be found on page 3.

Our **Book Club** is also settling into a new routine and will meet every second Tuesday of the month in the theatre. New members are always welcome so if you enjoy reading, please consider joining the group.

We recently held a **Gym Orientation Session** with a new fitness trainer and it was great to see the gym packed with new faces eager to learn how to use the equipment properly, work on good form and get some ideas for exercise routines. The trainer also put together a well-rounded workout plan with some nutrition tips for our gym newcomers. If you weren't able to attend but would still like a copy of the workout plan, just drop me an email. I'm happy to share it with anyone in the community who would like to give it a try.

Our next **gym maintenance is scheduled for Tuesday, October 13th**. If you've noticed anything in the gym that needs our attention, or if you have an idea, suggestion or feedback, please let us know or drop a slip in the suggestion box.

Halloween is just around the corner, and the witches, goblins and ghosts will soon be out! We've got some spooky fun planned at the Lake Club on **Saturday, October 31, starting at 4:15 PM**. There will be a scavenger hunt followed by a magic show in the theatre and will include some trick-or-treat goodies. We'll also be awarding an amazing prize basket for the **Best Halloween Costume** so get creative to have a chance of winning. Why not make it a family affair and dress up together? You might just have what it takes to take home the prize!

After our Halloween party, the **Manor Village** retirement residence located just above the Lake Club will also be opening its doors to **trick-or-treaters**. Stop by, say hello, show off your costumes and see what fun treats they have waiting for you.

As we head further into fall and the holiday season gets closer, we're looking forward to kicking things off with our **Holiday Market on Sunday, November 8th from 12 PM to 4 PM**. This year we're going all out and bringing even more vendors than in previous years including a great mix of local businesses offering a wide variety of unique products, gifts and seasonal finds. The Lake Club will be filled with vendors so there should be a little something for everyone. It's a great opportunity to get some holiday shopping done close to home while supporting homegrown businesses along the way.

As Thanksgiving approaches, on behalf of the HOA Board of Directors and myself, I'd like to wish everyone a very **Happy Thanksgiving!** We wish you a pleasant long weekend and hope you take some time to slow down, relax and enjoy the holiday with family and friends. Thank you for being part of our community and we look forward to seeing you around the Lake Club this fall.

BOARD REPORT

The HOA Board of Directors thanks everyone who joined us for the Back to School Donut Social on September 27th, where we gathered together and enjoyed some delicious donuts and socializing.

With autumn upon us, we will be shortly shutting down the waterfall for the winter. The water fountain has already been removed from the west pond and is getting repaired for next spring.

The Board recognizes the wonderful work that Karen Bell has done over the summer with the planting and managing of the flowers and hedges at the Lookout. We appreciate all of the time and effort she has volunteered, contributing her time and expertise to do this over the past years as a community volunteer.

Please remember to bring clean footwear with you to use in the Fitness Centre, and minors are not allowed in the Lake Club facilities without adequate adult supervision to ensure everyone's safety and prevent property damage.

If you or any of your neighbours still need help setting up your HOA fee payments, please contact our HOA Manager, Jill Mooney, at LakesatRockyRidgeHOA@simcomgt.com.

If you have any questions, concerns, suggestions, or comments regarding the HOA, the Lake Club, and any of our activities, please send them directly to the Board of Directors at lakesatrrhoa@gmail.com.

The Knit Wits Touching Base - Fall 2026

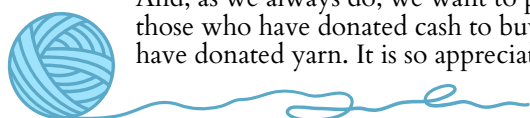

We are a group of Pavilions ladies who meet regularly on Wednesday afternoons at 2:00 pm in the Lake Club to enjoy each others company and, for those of us who are able to knit and crochet, we do just that with yarn provided by many of our residents and their friends.

We've been advised to put our knitting needles and crochet hooks down long enough to give our residents a report on our goings on this year. We have been busy during the spring and summer, continuing with knitting toques, children's mitts and toddlers blankets. We can do this because several people have been very generous with yarn donations and others with cash donations.

We are getting ready to start sorting out our many knitted items into bags destined for The Mustard Seed, The Salvation Army shelters and St. Vincent de Paul hampers. We have also donated toques during the year to the Paramedics who work our ambulances and tend to many on the street, as well as Calgary Police doing much the same thing. We'll have you know our toques get around!

Even though we've had yarn donations throughout the year we are always ready to accept any stray balls or skeins of yarn our residents come across. Every crafter will know you can never find the exact colour you need to work into an item when you need it. So the yarn you or family members or friends donate may be just the perfect match. You can either call 403.730.1859 to have it picked up or take it to Branka or better yet, come down to the Games room in the Lake Club at 2:00pm Wednesday afternoons to bring it and stay for a chat with us.

And, as we always do, we want to pass our thanks on to all those who have donated cash to buy yarn and those who have donated yarn. It is so appreciated.
