

Lake Club COMMUNICATOR

EDITOR'S NOTE

We've all heard the news —Calgary was recently named the most liveable city in North America and a top-three liveable city in the world! The Economic Intelligence Unit (EIU) factors in stability, culture and environment, healthcare, education, and infrastructure with the latter three all receiving perfect 100 scores for Calgary. So how does it feel to live in one of the top cities in the world and how does the Lakes at Rocky Ridge community mirror this livability?

Compared with many other areas of the City, homes within our community are more affordable and we benefit from the C-Train which offers residents easy access to downtown, the University district and bustling inner-city neighbourhoods such as Kensington. At the same time, we are in a prime location for adventurers seeking to hit the road to the Rockies on a regular basis. Great neighbourhood schools, easily-accessible healthcare facilities, the proximity of the YMCA, grocery stores and a farmer's market within walking distance, green spaces right on our doorstep, and diversity of culture really do make our little pocket of Calgary so very livable. Not to mention the welcoming nature of our residents, HOA Board, staff and volunteers, the array of activities and events on offer within the community, and of course, the Lake Club with its fully-equipped gym, high-tech Theatre, full-service hair salon, well-stocked library, Activity Room available for rental and a variety of recreation facilities within the Games Room.

Yes, Calgary is a wonderful place to live, as is the Lakes at Rocky Ridge community. Let's celebrate how privileged we are to call this community home!

Happy September,
Caroline

GOOD-BYE SUMMER CONCERT IN THE PARK

THURSDAY, SEPTEMBER 15

Live music by Silence In B'Tween!
**Bring your picnic and gather around the

**In the event of rain, live music will

We had a successful Annual General Meeting on August 16 where several important items of business were conducted including the Report from the Auditor on our finances, which are very healthy.

At the AGM, the HOA Board also said goodbye to Donna MacKenzie as she retired from the Board after several years of valuable service. Over the last three years, Donna served as our Treasurer and was instrumental in leading several projects including the major upgrade to the median, leading the book club and helping out with activities. We all thank Donna for her dedication to the HOA and selfless service.

In September we welcome a new member to the Board—Brenda Winkler has joined to fill the vacant position left by Donna. We look forward to working with Brenda and to her contributions to the HOA.

Unfortunately the Theatre sustained some water damage during one of the heavy rainstorms we had a few months ago, but repairs are in the works.

We are planning to start our Saturday Movies this month so check out the poster and calendar in this newsletter.

We are also working on plans to invite all of the members of the HOA to come to explore and use the facilities at the Lake Club more by organizing a few Open Houses in the Fall. Watch for dates.

If you have any concerns, suggestions or comments regarding the HOA, please send them to lakesatrrhoa@gmail.com or leave a message at The Lake Club Office or phone 587-349-1338.
